### Continue safeguarding the motherland

The entire people have to bear in mind the historical background of independence struggles forever and will have to continue to safeguard the motherland for ensuring perpetuity of the nation and sovereignty.

Senior General Than Shwe  
Chairman of the State Peace and Development Council  
Commander-in-Chief of Defence Services  
(From message sent on the occasion of 61<sup>st</sup> Anniversary Independence Day)

## Progress of infrastructures across the nation in the time of the State Peace and Development Council

### Education and Health Sector

Photo shows Technological University (Monywa) under Ministry of Science and Technology.

**Efforts are to be made for achieving success in building a new industrialized, modern and developed nation through mental and physical might of healthy, fit and qualified human resources**

Well-versed human resources are essential for building a highly-industrialized, modern and developed new nation. Thus, the government is constantly giving first priority to development of human resources. To be able to turn out highly-qualified human resources, emphasis is being placed on upgrading education and health sectors. Today, progress of education and health sectors can be witnessed more obviously any other sector.

In nurturing the youth, a main task is to enable all the citizens to pursue

basic and higher education step by step. Likewise, health and fitness of all citizens is a high priority. As the objective saying "Uplift of health, fitness and education standards of the entire nation" has adopted and is being implemented in all aspects, remarkable progress of education infrastructures has been made with a growing number of basic education schools, universities, colleges, and other universities and colleges regarding science and technology. At the same time, all parts of the Union have been provided with health infrastructures such as hospitals at station, township, district, State/Region levels and health educational institutions including universities of medicine.

As a result of upgrading education and health sectors, all the school-going children can enjoy the fruits of learning basic education, and
